Classes for 2022-2023 School Year

All classes and schedules require a minimum number of student enrollments to run.

If the minimum is not met by July 1, 2022, we may not be able to run some programs. Should this happen, we will refund registration payments to those impacted if an alternate schedule is not feasible.

A Reminder About Teacher Requests

As we build classes for the coming school year, we do not finalize any staff placements late in the summer planning process. We know you're eager to find out who your child's teacher will be next year, but please be patient as we juggle registration needs and staff schedules for next year.

School hours remain 8am-3pm.
