

# Summer Fun with Culinary Creations

at REVIVE PRESCHOOL!

Mrs. Jennifer integrates core academic subjects, (such as math, science, geography, and culture), & important social values, (such as cooperation, sustainability, & self-reliance), with culinary concepts (palate development) as well as nutrition education (fresh vs. processed foods & where food comes from).

*Cook up your enthusiasm for nutrition!*

**Join us on WEDNESDAY afternoons from 1:00-2:00pm**

**Cost: \$15/class**

**Due to material needs, drop in space is not guaranteed. Advance sign up required.**

\*Program needs 5 children to run per class; each class maxes at 10 students!
