# **Classes for 2023-2024 School Year**

All classes and schedules require a minimum number of student enrollments to run.

If the minimum is not met by July 1, 2023, we may not be able to run some programs. Should this happen, we will refund registration payments to those impacted if an alternate schedule is not feasible.

## **4 Year Old Pre-K/TK**

*4 by Dec 2, 2023 | M-F 9am-12pm, MWF 9am-12pm or T/Th 9am-12pm  
Children Promote to TK or Kindergarten in Fall 2024*

This class is geared for children who will be entering Kindergarten in 2024. This kindergarten prep program utilizes our Zoo Phonics curriculum, and is an excellent introduction to the school experience as well as laying the academic foundation for Kindergarten.

For those with children of Transitional Kindergarten age (5 between Sept. 2, 2023 & March 30, 2024), this class is an excellent alternative to the public school TK program, with smaller class size for more individual attention.

## **2&3 Year Old Preschool**

*2.0 by August 21, 2023 through 4 by Dec. 30, 2023/ M-F 9am-12pm, MWF 9am-12pm or T/Th 9am-12pm*

This class is an excellent introduction to the school experience. Our preschool curriculum is an engaging 5-senses exploration of their world and an introduction to letters, colors, shapes & numbers to start building a foundation for Pre-Kindergarten experiences. Potty training is not required in this age group.

We run a 3's room (3 by Sept. 1, 2023) and a 2's room to better split the developmental levels of this age group, registration permitting.

## **A Reminder About Teacher Requests**

As we build classes for the coming school year, we do not finalize any staff placements late in the summer planning process. We know you're eager to find out who your child's teacher will be next year, but please be patient as we juggle registration needs and staff schedules for next year.

School hours remain 8am-3pm.
